

Center School Family Involvement Plan 2019-2020

We want to encourage family participation, so we:

- Hold meetings and conferences at different times during the day
- Interview parents during student registration to receive their input and explain what our respective roles are here
- Parents are welcomed here at all times

Our initial contact with parents in regards to Title I will be held in September, 2019 at our fall BBQ and will be led by Mary Cullen. At this meeting families will be informed of the school's Title I program and budget and the right of parents/guardians to be involved in their child's education. We will also be holding three feasts throughout the year. Parents will be invited and we will discuss future parent involvement.

We tell families about state standards and our curriculum and assessments by:

- Community dinners, written correspondence
- Open Houses

Our school staff learn about family involvement at staff meetings (held two times a week), by calendar on server, and in front office, and by email. We have a very small staff. We plan and implement activities involving parents together.

We communicate to families about the progress of their children by:

- Quarter credit reports
- Phone conversations, at activities and community gatherings
- During home visits
- Conferences.

We provide materials and training to help families help their children with school work by:

- Conferencing
- Home visits
- In cooperation with Migizi Communications
- Open invitation at all times

Families can request a meeting to provide input about the education of their own child or school improvement. If a family wants a meeting they can contact Mary Cullen, Lead Teacher. They also have an open invitation to stop by at any time to discuss concerns.

We ask all families to sign a compact that describes the responsibilities of the school, the student and the family in promoting academic achievement.

Families are encouraged to visit their child's classroom.

Families can volunteer at school by contacting Joe Rice or Mary Cullen.
